Sir:

ELECTION OF SPECIE FOR PROSECUTION

In response to the Office Action Restriction mailed July 13, 2007, Applicant elects **specie II (to Figure 6)** with traverse. Claims 1-25 encompass the elected specie II. Of course for those skilled in the art having read the specification, it will be apparent that claims 1-25 also read on the unelected species I and III (Figure 4 and Figure 7 respectively) as all the claims are generic, and that this is the reason for the Applicant's election with traverse.

In the event the Examiner considers personal contact advantageous to the disposition of this case, he/she is hereby authorized to call Christopher D. Wait, at Telephone Number 585-423-6918, Rochester, New York.

Respectfully submitted,

/Christopher D. Wait, Reg. #43230/
